

LIFETIME WARRANTY

At Sea-Thru Windows Inc., your windows are guaranteed to be free from defects and are covered with a full lifetime glass breakage warranty for the life of your home. This warranty is transferable free of charge, if you sell your home.

Our warranty also includes labor for any manufacturer's part that needs installed for the life of your windows. In this instance, either a Sea-Thru Windows Inc. technician or a manufacturer's technician will repair the claim.

Act of God (i.e.: hurricanes, hail, fire, etc...) are covered by your homeowners insurance. In case of abuse or neglect, the homeowner is responsible for the cost of the repair. Damaged screen material after installation is the responsibility of the homeowner.
